The Wonderful World of Dentistry

6.5 HOURS CPD.
Clinically and scientifically based education

Dr. Dan E. Fischer
President & CEO of Ultradent

Auckland | Brisbane | Adelaide | Sydney | Melbourne
2013

KEYNOTE PRESENTER

LEARNING OUTCOMES

REGISTRATION

Dan E. Fischer, DDS

Dr. Fischer graduated OKU from Loma Linda University in 1974. Following graduation, he was an instructor in the Restorative Department at Loma Linda. Dr. Fischer maintained a full-time private practice for 15 years, working after hours on research and development projects. Since 1990, he has worked extensively in research and development but still maintains a part-time practice with an emphasis on esthetic dentistry.

Dr. Fischer is president and chief executive officer of Ultradent Products, Inc. and is extensively involved in the research and development of many products used widely in the dental profession, with numerous U.S. and foreign patents granted/pending. He currently serves as an adjunct professor at Loma Linda University and is also on the Advisory Council for Esthetic Dentistry at the University of Buffalo.

Dr. Fischer lectures extensively around the world and has a core passion for "improving oral health globally". He is recognized as one of the top continuing education providers in dentistry today.

Dr. Fischer's one-day course offers a unique insight into dentistry and the materials which dentists choose to use. His experience as a dentist for over three decades, combined with his product research and development knowledge, provides dentists with an in-depth understanding of treatment application options.

Learn

- The key aspects of product's chemistries and how best to apply them.
- Key principles of quality adhesives and esthetic resins for direct reconstruction of anterior teeth.
- How to work in control of all oral fluids: saliva, blood, purulent, or sulcular fluids.
- The importance of profound hemostasis.
- Why every dentist should be providing whitening treatments in their clinics.
- Treatment options from one tooth to a full smile.
- Providing quality treatment options to all socioeconomic groups.
- How to quickly and effectively clean and shape canals.
- How to hermetically seal cleaned canals with modern deliveries and radiopaque hydrophilic resin sealers/fillers.
- How modern dentistry is fun and can be financially and personally rewarding.

Continuing Professional Development*

* This course adheres to the Dental Board of Australia (AHPRA) CPD guidelines for 6.5 hours, clinically and scientifically based education. Certificates will be provided to each attendee.

Cancellation Policy

Cancellations must be received in writing no later than 14 days prior to the event in order to receive a full refund on all monies less a \$25 administration and booking fee. Cancellations within 14 days of the event are not eligible for a refund. Dinnage Marketing reserves the right to cancel the event at any time, with no responsibility to registrants other than the full refund of monies paid to Dinnage Marketing. No other claims will be available.
