

Henry Schein Wipes

**For the protection of your
practice, team members and patients**

Henry Schein Alcohol Free

Instrument Grade

Low Level Disinfectant Wipes

Multi-Purpose

Acts as a decontaminant and disinfectant wipe.
Suitable for use on all hard surfaces.
For use on Medical Devices.

Tested under dirty conditions

All microorganism activity testing has been completed under dirty conditions by certified laboratories.

Peace of Mind

Broad spectrum multi-purpose formula.

Made in Australia

Reduce your carbon footprint with local manufacturing.
Reduce carbon emissions with local transportation.

Reduce your waste

Increases surface coverage with just 1 wipe.

Effective Against (contact/kill time)

Tested Under Dirty Conditions

Pseudomonas aeruginosa	(1 min)
Escherichia coli	(1 min)
